

Dirty Girls on Hondas Scooter Team

Participating in the Mad Bastard Scooter Rally

June 12, 13, 14 2009

'The most internal combustion fun for the least gasoline consumed'

PRESS RELEASE: April 22, 2009

The Challenge...

The Dirty Girls on Hondas Scooter Team issues an Earth Day environmental challenge to all motorheads!

We'd like to challenge motorheads to find new ways to get the most fun for the least gas! We think we've found a great way to do that, with our 50cc scooter team in the MBSR Rally... but we'd like to hear about your most-fun-least-gas-motorhead-adventures too. Visit www.dirtygirlmotorracing.com for more details.

The Rally...

The Mad Bastard Scooter Rally is an endurance event, covering a secret route of about 850 kilometers, and awarding rally points for various acts of madness along the way. Scooter riders have up to 24 hours on one of the longest days of summer to complete the rally route, finding all the check-points and enjoying the Canadian scenery.

The Team...

The Dirty Girls on Hondas team will be entering the Mad Bastard Scooter Rally in the 'Straight Jacket' class, riding Honda 50 cc scooters. The three team members, Alikei, Andrea and Barb are all motorcycle rider training instructors with the Rider Training Institute, equipped with a range of racing and endurance rally experience. Andrea was the first woman to compete in the Straight Jacket class in 2007, and for this rally she's back with a whole team of Dirty Girls! The Dirty Girls on Hondas scooter team would like to thank Honda Canada for their support.

The Charity...

Motorcyclists are a caring bunch - charity fundraising rides happen almost every weekend of the summer, and this even is no exception. Riders in the MBSR are raising funds for the Kids Help Phone, which provides toll-free, bilingual, confidential and anonymous phone and web counselling, referral and information for children and youth across Canada, 24 hours a day, 365 days a year. Please visit our website for a link to support our team fundraising efforts.
